

Ministry Role Description

New Leader/Group Development Team Leader

Overview: This role is vital to the church and Life Groups Ministry because it helps us discover, develop, and deploy new leaders to launch new groups.

S.H.A.P.E. desired (Spiritual gifts, Heart, Abilities, Personality, Experiences):

S= Leadership, teaching, discernment

H= Christian community, leadership development

A= Teaching in a variety of formats, both face-to-face and high-tech

P= Any

E= Life Group membership and preferably leadership

The Win: Well-trained Life Group Leaders who lead healthy, life-changing groups

Responsibilities:

- Help to develop approaches and materials for discovering, developing, and deploying new leaders to launch new groups:
 1. Investigating Life Group Leadership
 2. Basic Training Class
 3. Online Advanced Training Modules
- Oversee the overall process of leader discovery, development, and deployment, helping to follow through with leaders in our pipeline
- Be involved in teaching parts of Basic Training class and Advanced Training modules.
- Work with Life Group Leadership Development Director and Connect Minister to establish annual goals and a budget in order to carry out Investigating Life Group Leadership and Basic Training

Support: Life Group Leadership Development Director
